### What educators are saying

Helpful resources with differentiation for students needs. This bundle has great potential based on the description, can't wait to see it.

— Cheryl W. 🚖 🚖 🚖 🚖

My students enjoyed these activities and it was a great bundle for me to use to jump into SOR. Thanks for creating and saving me time!

I loved using this resource with my students. This was just what I was looking for to teach Science of Reading! I am so glad that I got it at the Buy-In price. If you are looking for resources for Science of Reading, then I highly encourage you to purchase this resource. I can't wait to see what other resources will be added. Thank you!

In my new Learning Support 3rd-6th grade classroom, I need resources that will fit my diverse learners. I look for engaging materials and resources to assist in making my lessons run efficiently and easy to use. Thank you for helping meet these needs. I am always pleased with anything from your store. Thanks for all of the quality products.

Students used with

3rd, 4th, 5th, 6th grades

Primarily students with learning difficulties, with mild to severe disabilities, on the autism spectrum, and that are emerging bilinguals/ ELs/ ESOLs/ ENLs
